

Dear JG Family,

I want to share with all of you the very exciting news that **JGHS graduated 100% of its seniors in the 2021-2022 school year!** We are one of only nine schools in the entire state to earn this achievement! This is proof, that the JGSC educational experience is one of the absolute best in the state. It is also evidence of the hard work, determination, and "no-excuses" perspective embodied by the entire John Glenn Community of students, staff, and families.

Join me in taking time to savor our community-wide accomplishment. Take a moment to congratulate the JG Team as you see them, thank you!

Proudly Yours in Education,

Christopher Winchell

Here is an additional note from Principal, Christopher Manering:

Dear Students and Parents/Guardians:

John Glenn High School is proud to announce the class of 2022 had a graduation rate of 100%, which was released by the Indiana Department of Education in late December. We are extremely proud of the 100% graduation rate. This is a testament to all the students, staff, parents, community members, and all stakeholders in the John Glenn family.

Congratulations to the class of 2022 and to everyone in the John Glenn family. This is truly an amazing accomplishment.
