

April 29, 2022

Dear JG Family,

I wanted to take a moment and share how immensely proud I am of the work accomplished by our students, staff, and community.

Please take a moment to note, and join me in celebrating, that John Glenn High School was recently recognized by US News and World Report as the:

- # 2 High School in the South Bend, IN Metro area.**
- # 34 / 374 (Top 12%) of High Schools in Indiana.**
- # 2,437 / 17,843 (Top 15%) of High Schools in the country.**

John Glenn is able to achieve these accolades because of the partnerships we enjoy with families, and the collective PK-12th grade work that is done by our entire John Glenn Team.

I want to personally thank each of you for your commitment to kids, families, the community, and each other. Your teamwork and efforts are greatly appreciated and do not go unnoticed!

Additionally, next week is *Teacher Appreciation Week*. Please join me in celebrating, and appreciating, all the wonderful efforts put forth by all of our staff at John Glenn Schools.

Proudly Yours in Education,

Christopher Winchell
