Polk Township Fire Department came on October 10th and put on a wonderful assembly for our students, teaching them about the dangers of ion batteries and the importance of fire safety. Students had a blast spraying the fire hoses, climbing into the trucks, enjoying a delicious apple, and some even got to eat lunch with our firefighters! For two of our Wildcats, this visit was extra special — Carolynn's brother, a former Wildcat himself, and Zoey's dad are proud members of the Polk Township Fire Department! There were smiles all around, and we are so grateful our students were able to have such an exciting and educational experience.

We also hosted our first round of VIP Days for Kindergarten through Third Grade—and it was a huge success! The smiles on everyone's faces (and the number of donuts served!) said it all. Over the course of four days, we went through 53 dozen donuts — that's 636 donuts! A huge thank you to our amazing PTA for sponsoring these special days and helping make such wonderful memories for our students and their VIPs.

Lastly, we held our Parent/Teacher Conferences last week and were thrilled with the amazing turnout! We had 96% of Kindergarten–3rd grade parents attend, while our 4th grade team held 96 conferences, 5th grade held 64, and 6th grade held 57.

Horse Judging

We are proud to honor the outstanding success of our John Glenn FFA students at the recent AQHYA World Championship Show in Oklahoma City this past August. Among the hundreds of youth competitors from across the country, the John Glenn students distinguished themselves in the Youth Horse Judging Contest and earned a Reserve World Championship title.

Special recognition goes to Adin Darin, Nora Guseilla, Molly Harness, and Emily Harness for their dedication, preparation, and performance in a fiercely competitive environment. These John Glenn students have spent countless hours practicing and honing their evaluation, decision-making, and speaking skills to reach this level of excellence.

Over the past several years, these students have represented our school in numerous national-level contests, consistently finishing among the top three teams in the nation. Their continued success is a testament to their commitment, teamwork, and passion for excellence in agricultural education.

Their achievement reflects not only their individual poise and knowledge but also the support of our Agriculture Education instructors and the FFA program at John Glenn. This accomplishment shines a positive light on our school, our students, and our community, illustrating the power of hard work, teamwork, and leadership developed through agricultural education.

We extend our congratulations to these students and their advisors and thank the board for recognizing their outstanding accomplishment and their continued support.

Congratulations to the team and their coaches for representing our school at a high level.
