Stuff the Bus

The Wildcats delivered 5,280 items to the Walkerton Food Pantry. The donations provided over 120 families with a Thanksgiving meal. Shout out to Mrs. Biernacki's class, who donated 1813 items, winning a pizza party for the class!

Owl Prowl

Families were invited to take part in an Owl Prowl at Kingsbury Fish and Wildlife with Rick Glassman, a retired nature preservationist. After enjoying dinner together, families joined Mr. Glassman for a walk through the woods where he called for screech owls. While several owls responded, none were spotted—but it was still a wonderful and memorable family event.

Veteran's Day Assembly

Walkerton Elementary hosted our Veterans' Breakfast and Assembly for Veterans and their families. We had more than 100 Veterans RSVP for the event, and although the weather and the 2-hour delay reduced attendance slightly, it was still a wonderful morning of honor and gratitude.

The John Glenn Education Foundation graciously sponsored the Walkerton Elementary School Field of Flags. Before placing their flags, students learned about the symbolism of the American flag and proper flag etiquette. Each student then "planted" a flag and had the opportunity to attach a dedication honoring a family member who has served or is currently serving in the military. The flags were proudly displayed at the front of the school surrounding our flagpole.

Spell Bowl

Congratulations to all the spellers who participated in the Spell Bowl! It came down to the final round to determine the team's placement, and our students earned an impressive 2nd place against a strong North Liberty team. We also had two students who earned near-perfect scores, each spelling 7 out of 8 words correctly.

Pre-school Update

We are incredibly grateful for the generous support of our community partners who helped make meaningful sensory and learning experiences possible for our ECSE preschoolers. Falcon 500's \$150 donation allowed us to purchase four Perfect Petzzz—adorable, breathing kittens and puppies, including one named F-5 in their honor. McGaughey Farms provided straw for our sensory table, giving children a fun way to explore textures while searching for hidden items. Cummings Farms donated corn, sparking imaginative play as students pretended to farm with tractors and tools. J&P Produce gifted pumpkins for decorating and an extra one for a hands-on science exploration as the children observe its decomposition. We truly appreciate these contributions that bring joy, calm, and learning to our little ones every day.
