SECTION II
JUSTIFICATION FOR ADDITIONAL BUS PURCHASES, TRANSPORTATION SERVICES,
AND/OR EARLY BUS REPLACEMENT

just

1. Pursuant to IC 20-40-18-9(2)(A), if the School Corporation is seeking to acquire or contract for transportation services that will provide for additional school buses or buses with a larger seating capacity as compared to the number and type of school buses from the prior school year, explain for each additional bus and the circumstances of the demand for increased transportation services within the School Corporation.

We have annexed Greene Township in St. Joseph County from the South Bend School Corporation and have a need to increase our bus fleet by six buses to cover new routes. We have purchased four used buses to help with this increase in transportation routes, but we also need to add two new 14 passenger Special Education buses with wheelchair lifts to complete our needs for the new routes.

2. Pursuant to IC 20-40-18-9(4), if the School Corporation is seeking to replace an existing school bus earlier than twelve (12) years after the existing school bus was originally acquired or requires a contractor to replace a school bus, explain for each bus the circumstances for that need.

Not Applicable.

BUS REPLACEMENT PLAN AMENDMENT

If the school corporation is submitting an amended plan, please complete the following questions.

1. Declare the nature of and the need for the amendment.

Not Applicable.

2. Show cause as to why the original plan no longer meets the needs of the school corporation.

Not Applicable.
