Per legislation, we are required to hold a public hearing and Board discussion about the tentative Teacher Collecting Bargaining Agreement. We have come to a tentative agreement with the association. In general we have agreed that teachers will receive differentiated raises between \$2,000 and \$8,000 based on years of service and degrees. Minimum salary will be \$41,000 and maximum salary will be \$76,175 for year #1. Year #2, teachers will receive differentiated raises of \$700 or \$775 with minimum salary being \$41,000 and maximum salary \$76,950. We have added two ECA positions for middle school soccer and elementary year book, and the TLP portion of the contract agreement will be removed.
