# The Swoop Scoop

"Swoop" is a nickname for our Title I Program. Students in grades K–4 may qualify for extra reading support each semester thanks to a federally funded program for which JGSC qualifies. Currently, our Swoop Groups service over 120 of our NLES Shamrocks in grades kindergarten through grade 4. Monday through Thursday, the students work in consistent small groups with reading lessons led by an instructional aide. Mrs. Weiss, Title I teacher, alternates between groups in order to work with each student several times throughout the semester.

We are excited about the new **Swoop Summer Enrichment Program at NLES** from June 8–19 from 8–11:00 for kindergarteners and first graders. We want to offer reinforcement of math and reading skills while having some fun!

**Swoop Day at the Zoo!** May 9 is our special day to celebrate Swoop Family Involvement. This is a FREE trip for all our Swoopers and their parents. Just send back the permission slip sent home in April. We already have a busload going! It is going to be a "wild" time!

Our 2nd–4th Grade Swoopers and parents were involved with the filming of a **Super Readers Promotional video** Saturday, May 2. The NLES students

joined real film crew experts from the high school drama and choral departments. Check out the students along with the stars from the recent JGHS hit production of Grease!

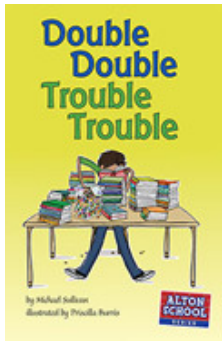

A link to the video will be on the NLES website as soon as it is released. Be sure to check out the flyer for the Summer Reading Program. Tons of great activities and trips: bowling, Minion movie, roller skating, t-shirts, a parade float, and more! Get this... they are all FREE! Just read and earn your way to a great time inside a book and out!

# Small Group Spotlight:

4th graders wrote a summary of a book they read titled Double Double Trouble Trouble. Writing a summary can be a tough skill as the writer must find all the main

points without the details. Four 4th graders in Mrs. Kosinski's room wrote this summary together. They each wrote a different final line, however, which follows their summary.

Nick hated reading. He made a deal with his teacher. The deal was he wanted to read just one word the first day and double it every day. At first, he loved it very much. The doubling added up quicker than he thought. He read many more books than the other kids. He read 128 books, and the rest of the class read three.

**Alexa:** It was a bad deal because he read more than the other kids.

**David M:** It was a good deal because he got more reading.

**Chris H:** It was good at first, but then he was so tired from reading. He was reading, but still tired. It was a smart–stupid deal.

**David H–B:** I think it was a bad idea.

**Nik S:** I think he had a bad deal because he had to read way more books than the other kids.

Find yourself a great book! Keep reading and finish up the school year with a bang! If you have any questions or suggestions regarding our Swoop Title I Program, please contact Mrs. Amy Weiss [aweiss@jgsc.k12.in.us](mailto:aweiss@jgsc.k12.in.us).
