No glass items please. Donations may be given to homeroom teachers or they may be placed in the collection boxes as the children enter the building at the beginning of the day. Please help us make this the best food drive so far. This has been a difficult time for many families. Thank you for helping our school make a difference in our community. Contact 6th grade Student Council sponsor, Mrs. Houston, with questions.

A LETTER FROM THE NL BRANCH LIBRARY

I wanted to make sure the families of your students are aware that kids are welcome at the North Liberty Branch library. We have had some patrons stop by recently who weren't sure if there were restrictions. Those under age seven will still need to be accompanied by someone over 13, but we are hopeful you might be able to help us get the word out that we are looking forward to the return of our young visitors.

As the new branch manager, I would be delighted to assist in any way I can to facilitate programming for your students.

EARBUDS AND HEADPHONES Please take a moment to ask your child how their listening devices are working for them. We have many students who are in need of replacements as the ones brought in at the beginning of the school year are no longer working.

A GREAT PLACE TO LEARN, TEACH, LEAD AND SUCCEED
