**TOP 10 CAREER SKILLS
FOR ELEMENTARY
STUDENTS**

1. Identify interests, likes and dislikes.
2. Describe strengths and talents.
3. Demonstrate positive behaviors and personal characteristics, such as honesty, dependability, responsibility, loyalty, and integrity.
4. Recognize that one should accept responsibility for one's behavior.
5. Interact with others in a fair, helpful, and respectful way.

6. Recognize that people have many roles they play in life and balance is the key.
7. Demonstrate study skills and learning habits.
8. Be able to set goals and work towards achieving them.
9. Describe different ways to make decisions.
10. Recognize the skills necessary for success at school and work—communication, critical thinking, problem solving, and interpersonal skills.

**National Career
Development Association**

**CAREER SPEAKERS
WANTED!!**

Hey WES Families,

We are inviting families to come to the school and speak to our 6th grade students about your career.

Each month, career speakers speak for 30 minutes about their careers, schooling required, and rewards/challenges of the career. If you are interested/able to volunteer as a career speaker:

1. Email sreynolds02@jgsc.k12.in.us

OR

2. Go online to our College & Career Readiness page on the school website and click on "CAREER SPEAKER" to fill out an online form.

**Give the GIFT of
Education**

With the high cost of college/training, it is important to start saving money early for your student's future.

Families can open a 529 College Savings account with as little money as \$10. Families who invest in 529 accounts can also earn a tax deduction up to \$1000. Families/friends can get a UGIFT code that allows them to invest money into the account anytime from anywhere!

Kindergarten, 1st, 2nd, and 3rd grade students who are enrolled this month will have \$25 deposited in their account from the MC Promise Foundation. Each year up until the 3rd grade, another \$25 will be deposited.

Go to:
marshallcountypromise.org
to enroll.
